Pack 198 Adult Personal Data Instructions

Information submitted on this form is used for Boy Scouts of America, Pack 198 and Chartered Organization purposes only and is confidential. It is not our purpose to gather this data for any other use, including marketing, etc., and we will not use it for those purposes.

Name: Your full name, optionally including your first name as you prefer to be called, i.e.,
Doe, John D. (Johnnie)

Address: Your full mailing address. If you have "ZIP+4", and you know what it is, please include it.

Spouse: Your spouse's first name.

SSN#: Your Social Security Number. This number is used for BSA tracking purposes and serves as your BSA ID number – it will not be used for marketing or other purposes.

Phone: Please include your home phone number so that we may contact you if necessary, as well as any other numbers you may feel are needed, such as a work or cell phone number.

Driver's License Information: This is used for insurance purposes, in the event you transport Cubs, etc.

E-mail: If you have email, this will make it easier for us to send you information and/or contact you. We also plan on using these for occasional mass mailings for Pack and/or Leader information.

Date of Birth: BSA requires this in order to ascertain that you meet adult leader guidelines.

Sex: Select one.

Date Became Leader: Please enter the date that you attained the most important Leadership Position (listed below) for the Pack. If you are unsure, please estimate. This information is not required for Tiger Cub Adults.

Date Joined Pack: Please enter the date that you joined the Pack. If you have a son in the Pack, this is likely the same date as his entry.

Leadership Position(s): List any positions that you have with the Pack, the most important listed first. For instance, if you are both a Tiger Cub Adult and a Committee Member, the Committee Member position is more important for chartering purposes.

Prior Service Dates: Used to compute BSA tenure, this would include other dates that you have been involved with Scouting, such as other Packs, Boy Scout Troops, etc.

Vehicles: This information is used for insurance purposes, i.e., if you use a vehicle to perform Pack-related transportation, such as carrying Scouts to or from a BSA-related function.

Training Courses: Please list the dates and names, such as Basic, Fast Start, Youth Protection, PowWow, etc., for any courses that you have taken. This is very important for chartering and helps us determine who has or has not been trained.

Special Awards: Please list any BSA-related awards and the dates that you received them in this box. These awards would include such items as the Cub Scouter Knot, Den Leader Knot, District Award of Merit, et al, as well as any Pack- or Troop-specific Awards that you may have received, such as a Certificate of Appreciation. This does not include Quality Unit Awards, or similar, awarded at a unit level. If you feel, however, that a unit-level award merits inclusion (such as District Merit awards and the like that you had direct involvement in earning), please feel free to include them.
